**Net Weight: 16 oz (454 g)**

**DIRECTIONS FOR USE:**

- Always read label directions and precautions prior to use.
- Shake well before use and periodically during use.
- For indoor and outdoor use, including food processing and handling establishments (not for use directly on food or food contact surfaces).
- For crack, crevice, void, spot and space treatment.
- Compatible with professional aerosol injector delivery systems.

**PRECAUTIONS AND NOTICES:**

- Keep out of reach of children. Avoid contact with eyes and skin and avoid directly breathing spray mist. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, or if more than an incidental amount is swallowed, seek medical attention. If seeking medical treatment, have this label with you.
- Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.
- Do not use in conduits, junction boxes, or other electrical equipment because of possible shock hazard.
- Product contains botanical oils that are inherently fragrant. When used in confined spaces, prolonged exposure to the scent may be objectionable to some individuals. Clean up residual product to diminish scent.
- The product has been tested on a variety of surfaces without problems, but it is possible that the plant oils could damage some plastics or finishes or could stain some fabrics or porous surfaces. So, test spray small area first before applying to visible surfaces. If clean up is needed, use water and dish soap. Product may leave a slight oily residue before dissipating.
- Treated hard floor surfaces may be slippery. Wipe away excess spray with a clean cloth or paper towel.
- Do not apply to food, feed or plants.
- Keep out of lakes, streams and ponds.

---

**STORAGE & DISPOSAL:**

- Do not contaminate water, food, or feed by storage or disposal.
- Store in a cool, dry area away from heat, sparks and open flame. When container is empty, recycle if available. If recycling is not available, dispose of in trash. Do not puncture or incinerate.
